HempFlax Roemenia

HempFlax Building Solutions GMBH

NUTRACEUTICAL SPECIALIST

Within the HempFlax Group, HemPure is responsible for the production and development of nutraceutical

products. We are one of the biggest producers of private label CBD oil & capsules, Superfoods, cosmetics and gummies in Europe. You can buy the products as white label with your own artwork. Due to longyear experience in the food and food supplement business we can manage the whole production process for you. Please contact us for the possibilities.
